PRODUCT CUT SHEET

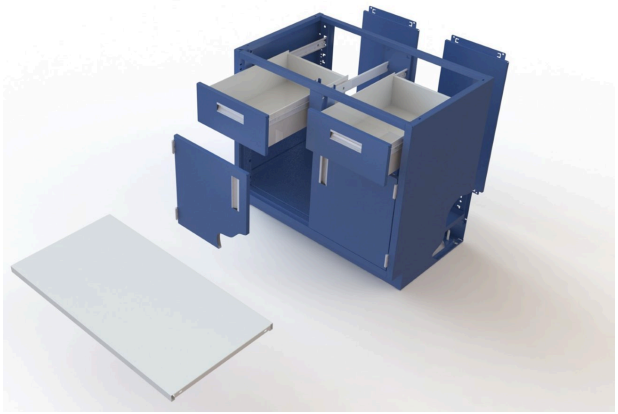

Steel Laboratory Casework

A complete line of steel laboratory casework built for the demands of the professional lab. Every cabinet is SEFA compliant and built with the end user in mind. Removable backs, bottoms and shelves make installation simple, and 14 standard colors let the casework fit your space.

Construction

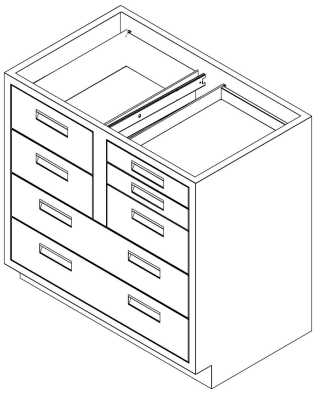

- 18-gauge cold-rolled steel cabinet body
- Chemical-resistant epoxy powder coat
- Removable backs and bottoms for easy installation and cleaning
- Adjustable shelves on 1-3/8" increments
- Full-extension, heavy-duty ball-bearing drawer slides
- Stainless steel five-knuckle door hinges
- Inset doors and drawers with a 1/8" reveal
- Four adjustable levelers on base cabinets
- SEFA compliant

Removable back, bottom and shelf

Options

- Sitting (29"), ADA (33") and standing (35") heights
- Acid and flammable storage cabinets
- Sink and fume hood base cabinets
- Knee space panels and rails, end pedestals
- Rear enclosure panels for islands
- Fillers for walls, corners and island ends
- Lock sets for base cabinets, wall cases and floor cases
- Pull-out writing shelves and additional shelves

PRODUCT CUT SHEET

Steel Laboratory Casework

How to Read the Part Number

Letters before the numbers give the product type. The next numbers are the height and width in inches. After the dash, the digits give the number of doors, full drawers and half drawers, in that order, followed by a letter code where one applies.

Type		Width		Full drawers		Letter code
B = base cabinet		18"		0		R = right-hand hinge
B	**35**	**18**	**-**	**1**	**0**	**0**	**R**
	Height 35" standing			Doors 1		Half drawers 0	

Product Line

Product	Prefix	Height	Width	Depth
Base cabinets	B	29", 33", 35"	12"–58"	22"
Sink bases	B...S	29", 33", 35"	12"–58"	22"
Fume hood bases	B...P	29", 33", 35"	12"–58"	22"
Corner bases	C	29", 33", 35"	Corner	22"
Acid storage	ACID	29", 33", 35"	18"–58"	22"
Flammable storage	FLAM	29", 33", 35"	18"–48"	22"
Mobile bases	MB	29"	15"–24"	22"
Aprons, with drawer	A	Apron	30"	22"
Wall cases	W	15"–48"	12"–48"	13" or 16"
Corner wall cases	WC	24"–48"	Corner	13" or 16"
Dual-entry wall cases	WDS	24"–48"	18"–48"	13" or 16"
Floor cases	F	84"	18"–48"	16" or 21"

Letter codes: L or R = left- or right-hand hinge, S = sink base, P = fume hood base. Wall and floor cases come with open, steel hinged, glass hinged and sliding door options.

Flammable storage cabinet, NFPA 30 compliant
